Help:Contents

If you have any question/suggestion about Molecular Analysis Tools (MAT), please post them in <u>Discussion Forums</u> to receive fast assistance. Personnel from the Knowledge Center monitor the forums and provide answers quickly.

If you have any other question or you prefer to discuss with MAT Knowledge Center staffs first, please feel free to contact us via e-mail at: **matkc** at **c2b2.columbia.edu**

Please Note: The e-mail address is in "spam-filtered" format. Replace "at" with "@" and then use the final e-mail address to send e-mail.
